**RE: # 2044161 Room Attendant**

Dear Hiring Manager,

I am sending you my resume for consideration for the position of Room attendant you have posted on job bank JOB ID # **2044161** I felt my working background were well suited to the position. I am currently in Bangladesh and working in “**Hotel Dhaka Times**” at the same position for last 1.5 years.

After completing graduation of Computer Science and Engineering from Northern University Bangladesh & 5 years of my employment I have gained some valuable experience in both the academic and professional settings. During Covid Pandemic, I started working on **Hotel Dhaka Times** as a room attendant. This experience gave me an excellent knowledge of managing the customers of the hotel and serving them using the highest level of servitude.

My experience as a room attendant with a residential hotel allowed me to develop my ability to deal more customer and servitude. Additionally, I have one year more experience working as a Food counter attendant in same hotel. This role gave me an insight into maintaining effective relationships with customers which I believe will allow me to thrive in the position of a room attendant.

Please give me a chance to give an interview with you to show my potentiality. I look forward to hearing back from you.

**Yours sincerely,**

**Shifat E Rasul**
